Sir:

INTRODUCTORY COMMENTS

This is responsive to the Interview Summary resulting from the personal interview conducted between the Examiner and the Applicant's representative on November 6, 2008.

During the personal interview, the applicant's representative presented models of inventive bath baths and a model of a prior art bath ball and discussed the differences thereof. The applicant's representative also referred to the amendment of claim 1 submitted in the response filed August 18, 2008, which the examiner will consider in view of the models presented and the amended claim.
